What our students say:

Dear Teachers, thank you for helping me improve my English grade from a C6 to B3 within 3 weeks of intensive lessons before SA2. The small, conducive study environment allows for one-to-one tutoring and at the same time encouraging in depth small group discussion for topics related to what is done in school. I hope to

continue to improve and achieve better results under your tutelage.”
Gerald, IP3, Catholic High – joined Super Writers Intensive Classes (3 lessons)

What parents say:

“I would like to thank Learning Journey for guiding Janelle in her English. Her compositions improved from the usual 20+ to at least 35. And never in a million years that we expect Janelle to get A* for her PSLE English. Thank you!” – Janelle’s mum, P6 St Hilda’s Primary
